

INTERNATIONAL ASSOCIATION OF ULTRARUNNERS

May 30th 2017

To IAU Member Federations – General Secretaries.

**IAU Extraordinary Congress in Belfast June 30th 2017 10 am
Athletes Village, Queens University, Belfast BT95BW**

You will find attached the agenda and papers for the IAU Extraordinary Congress which will be held at the venue for the IAU 24H World Championships in Belfast, on June 30th the day before the Championships start.

We had advertised the need for this Extraordinary Congress in the invitation we sent you for the 24H World Championships in March and the venue was also highlighted in the General Information Sheet for the event.

I would be grateful that if you won't be present in person then you can forward these papers to the team leader who will be participating on your federation's behalf at the Championships and the Extraordinary Congress. Your Federation should be up to date with payment of the IAU membership fees.

We are looking forward to seeing your representatives in Belfast both at the Extraordinary Congress and for the IAU 24H World Championships and please feel free to contact us with any queries about this or any other IAU issues.

Best wishes.

Hilary

Hilary Walker
IAU General Secretary
