

IAU Congress 2014, 20th November 2014, Doha, Qatar.

You had notification in August of our biennial Congress at the Aspire Dome in Doha, Qatar on 20th November 2014 before the IAU 100K World Championships . This will be a non-election Congress and can consider IAU Constitutional proposals only. The IAU constitution was revised extensively in 2012 and approved by the IAU Congress in Katowice 2012 so that we received Association status in Monaco and the IAU Executive Council (EC) has no further proposals for this Congress. However the EC will provide an update on IAU matters to Member Federations and for any other proposals to be considered. (ref. Article 15.1 of the IAU Constitution 2012).

In the months since the official notification on 21st August, there have been no requests from member federations for constitutional amendments and the Executive Council do not propose any either so the agenda for the Congress is now finalised as:-

(in line with Article 15.7)

IAU Congress 2014, Doha, Qatar, 20th October 2014.

1. Opening by the President;
2. Approval of the Executive Council Report;
3. Approval of the Accounts of the previous year;
4. Approval of the budget for the next year;
5. AOB

The Executive Council Report will update on the approval of our current Constitution and the approval for the IAU to be an Association based in Monaco and what that entails and the changes in the constituent membership of the Area Representation due to the increase in numbers of IAU Member Federations.

Hilary Walker
IAU General Secretary
